

Forlab - The fittings and valves

STANDING FITTINGS

	DESCRIPTION	CODE
	Standing laboratory faucet – mixer tap	W01
	Standing laboratory faucet – mixer lever	W03
	Standing laboratory faucet – mixer lever	W05
	Standing laboratory faucet – mixer lever - chrome	W01C
	Standing laboratory faucet – mixer lever - chrome	W02C
	Standing laboratory faucet – mixer sensor - chrome	W02CS
	Standing laboratory faucet	WC01
	Standing laboratory faucet	WC02
	Standing laboratory faucet - stainless steel	WD01

Forlab - The fittings and valves

STANDING FITTINGS

Standing laboratory faucet - plastic

WD02

Laboratory valve - supply of technical gas

TG01

Laboratory valve - supply of technical gas

TG02

Laboratory valve - supply of natural gas

BG01

Laboratory valve - supply of natural gas

BG02

Forlab - The fittings and valves

STANDING FITTINGS

S1: Type designation

207.02: Standing fittings

S2: Type fittings

BG01: Laboratory valve - supply of natural gas

BG02: Laboratory valve - supply of natural gas

TG01: Laboratory valve - supply of technical gas

TG02: Laboratory valve - supply of technical gas

WC01: Standing laboratory faucet

WC02: Standing laboratory faucet

WD01: Standing laboratory faucet - stainless steel

WD02: Standing laboratory faucet - plastic

W01: Standing laboratory faucet – mixer tap

W01C: Standing laboratory faucet – mixer lever - chrome

W02C: Standing laboratory faucet – mixer lever - chrome

W02CS: Standing laboratory faucet – mixer sensor - chrome

W03: Standing laboratory faucet – mixer lever

W05: Standing laboratory faucet – mixer lever
