HANDLE

Handle U1

The U1 handle is available in chrome finish or RAL white finish. This type of bracket is not recommended on stainless steel cabinets.

- *Material: zinc*
- *Finish: chrome*
- *Length: 135 mm*
- *Width: 7 mm*
- *Height: 35 mm*
- *Pitch: 128 mm*
- *Order code: 0246300*

Handle U2

The U2 handle is available in chrome finish (common laboratories, laminated furniture, metal furniture with RAL finish), eventually with surface imitating stainless steel.

- *Material: zinc*
- *Finish: chrome, stainless steel imitation*
- *Length: 136 mm*
- *Width: 25 mm*
- *Height: 24 mm*
- *Pitch: 128 mm*
- *Order code:*
 - *chrome matt: 5386837*
 - *stainless steel imitation: 5386901*

Cabinet handle Definitions:

- When defining handles for individual cabinets, their surface finish is governed by the material design table above. In the case of another solution, in the last section of the code, Q is selected and all required changes compared to the standard are added verbally.

Ordering handles in the design chapter:

- The following applies when defining separate handles:
 - U1 - chrome finish
 - U2 - chrome finish
- U1 with RAL white and U2 in imitation stainless steel is defined by:
 - the desired shape is selected - U1 or U2
 - in an atypical embodiment, Q is selected and the finish is verbally completed.
